Our maximum table size is 12, although we only have limited tables for 12 available.

For larger parties, we will endeavour to seat tables in the same area.

All tables over 8 must have the Christmas menu.

Please confirm dietary requirements and supplements when confirming final numbers.  
Pescatarians, vegetarians and vegans will be offered a plated alternative dish where appropriate.

We will require a credit card number to secure the table, nothing will be charged to the card at the time of booking. Final numbers will need to be confirmed one week prior to your booking and the food will need to be paid for in full at that time.

Should your numbers drop on the day, the excess food will be sent to your table to enjoy.
